

Children's Day Celebrations / RISE FOR GOOD SERIES/ Vol 4, Issue 13/ Nov 2016

Dear Friends,

Greetings on Children's Day!

It is the most important day in the life of every child in our country. On this day I feel so happy and proud to share that Paralympics medallist Varun Bhati celebrated this day with our beneficiary children and youth.

The programme began with the lighting of lamp and an interaction with students. "Everything is possible, dream big, there are no limits and with your hard-work you can achieve," said Varun to our children.

Senior leaders and associates enthusiastically joined in to hear motivational words from the Paralympics champion and even played badminton with him.

I sincerely believe that the greatest gift we can give our children is "Gift of Education" and Tech Mahindra Foundation tirelessly works towards this goal.

Happy Children's Day!

Warm regards,

Loveleen Kacker
