

A Perfect Diwali Gift/ RISE FOR GOOD SERIES/Vol 4, Issue 12/ Oct 2016

Dear Friends,

It is a proud moment for us as Tech Mahindra Foundation sits among the top ten CSR leaders. The WIGID report which continues to expand and explore the status of CSR professionals in Asia mentions top 10 companies with APAC based headquarters and it's heartening to share that we have made it amongst them.

The report takes into consideration Sustainable Development Goals, Inclusive Business and Shared Value Models as key indicators.

360 respondents from Asia participated in this year's survey that included 184 industry professionals, 71 consultants and 105 NGOs. NGO respondents reported Tech Mahindra Foundation among organizations that demonstrate good NGO/private sector engagement practices.

This recognition is a great honour for the team at TMF. In fact we all have been so delighted that one of my team members has rightly put this as a "Perfect Diwali gift!"

As we approach the festival of lights, here's hoping that the beauty of this festival brings a world of joy, happiness and contentment to you. And together we keep adding value in the lives of those who need it most.

Shubh Deepawali!

Warm regards,

Loveleen Kacker
