7. A responsibility statement of the CSR committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

For Tech Mahindra Limited, Corporate Social Responsibility means responsible business practices through the involvement of all stakeholders in the decision making process and in operations. It entails having business policies that are ethical, equitable, environmentally conscious, gender sensitive, and sensitive towards the differently abled.

We have adequate systems and tools in place that go beyond regulatory requirement. In collaboration with our community, we analyze the potential impacts of our operations before setting up any new project and during any expansion of existing projects, so as to address the concerns of the community. At the end of a project, the implementing partner submits a report pertaining to the impact of the program, specifically highlighting the project milestones achieved and the quantitative and qualitative benefits generated. The project is also evaluated on milestones achieved by the CSR Committee formulated by TML. Independent Third Party Assessments are also conducted for major CSR initiatives of TML at regular intervals.

The CSR committee certifies that the implementation and monitoring of projects and programmes as per CSR Policy are in compliance with CSR objectives and policy of the Company.
