

**EMPOWERING YOUNG LIVES
TO DRIVE POSITIVE CHANGE**

Since 2006, Tech Mahindra Foundation (TMF) has been working toward driving social change with the vision of 'Empowerment through Education'. The Foundation's journey in Bengaluru began in the year 2013 with the launch of SMART Centre under its flagship employability program Skills-for-Market Training (SMART) in association with partner NGOs. In the education spectrum, the Foundation established its presence through the "All Round Improvement in School Education (ARISE)" for school children & ARISE+ program to facilitate equal learning opportunities for children with disabilities.

Our Projects in Bengaluru

At present, the Tech Mahindra Foundation runs a total of 11 projects in Bengaluru under its Employability, Education And Disability programs.

PARTNERS' SPEAK

Tech Mahindra Foundation works alongside NGO partners to enable youth for sustainable livelihoods and facilitate inclusive education for children with disabilities. Hear what our partner organisations have to say:

"We are proud to partner with Tech Mahindra Foundation to support young children with disabilities. Through TMF's support, many alumni of our school have reached respectable positions and achieved many laurels. We look forward to our continued association."

- The Deaf Aid Society - SKID

"The program is helping students become more resourceful, innovative, and curious."

- Ms Kavitha, Mantra Social Services

BENEFICIARIES' SPEAK

Our beneficiaries are the true ambassadors of our vision to bring Empowerment through Education. Let's hear what they have to say!

"During my childhood I was very scared to come out of my house due to partial loss of vision. When I met teachers at my new school (SRMAB), everything changed. With their guidance, I learned to use sensory tools, and grew self-confidence."

Mariya trained at Shree Ramana Maharishi Academy for Blind SMART+ Centre, Bengaluru

"I am thankful to Tech Mahindra Foundation for helping me get a job in my dream city, I love living an independent life in Bengaluru."

Shreedevi, trained at Association of People with Disability - SMART+ Centre, Bengaluru
